Accommodation Allocation

Due to restrictions on numbers allowed to stay at the facilities, clubs have been split roughly evenly across the 2 locations. Please do not change your club's location! Any issues, please speak to Tom Sharp. Officials, helpers and any extras, please attend the same location as your affiliated club. It is possible to move individuals if required, please check first.

A delegate has been assigned to each of the buildings. This person will be able to lock and unlock the buildings and is responsible for making sure everything is clean and tidy when left. Please make their lives easy by tidying up after yourselves. Please ensure that all fire exits are cleared and not blocked. There are several rules at each facility, they are generally just common sense but please ensure all team members strictly follow them. They will be clear upon arrival.

Appendix A – Church Hall Accommodation Parking

The most obvious unrestricted parking for events at Uniting Church Sketty is in Llewelyn Street (both sides, but not in residents-only bays) and Lewis Street (East side).

There is time-limited parking opposite the Church near the Telephone Exchange but this is not usually long enough for attendance at events.

When no spaces are available in the obvious locations, it may be worth trying the locations marked.

- A - on De-la-Beche Road near the bowling green and tennis courts
- B - on Sketty Park Road on the left going uphill from the traffic lights
- C - on Admirals Walk, a short way after crossing the traffic lights
- D - on De-la-Beche Road in front of houses opposite Bishop Gore School.

There are single yellow lines and parking is prohibited at school opening and closing times, 8.15 to 9.15 and 2.45 to 4.15, but allowed at other times.
